I am very proud of the efforts of all the employees of the Jackson Police Department for the year 2010.

The year 2010 continued our compliance as a fully national accredited agency through CALEA (Commission on Accreditation for Law Enforcement Agencies). We successfully passed our on-site assessment in December and were awarded advanced accreditation status at the review hearing in Cincinnati, Ohio, for the next three year compliance period.

2010 continued our efforts with a number of speed and traffic survey's that the department is requested to do throughout the year. Also, overtime funds were approved for hazardous moving violations enforcement, which we conducted over most of the major holiday weekends. In 2010 we successfully applied for and received over \$10,000.00 in grant money for traffic enforcement equipment and overtime through the Missouri Division of Highway Safety and the Missouri Safety Center. Our goal was accomplished again to decrease traffic accidents through visibility and enforcement. Our residential and business burglaries were also decreased in 2010. The department was successful again in 2010 in obtaining several grants. We have received over \$3,500.00 from the Community Caring Council for overtime and expenses associated with conducting alcohol compliance checks and underage drinking investigations. We were successful in applying for the \$12,000.00 "Safe Routes to School" grant through the Missouri Department of Transportation. These funds will be used to enhance safety in and around the West lane Elementary School through enforcement and awareness programs. This project will start in the spring of 2011. The Jackson Police Department also applied for and received grant funding through the Department of Public Safety Block Grant for patrol and officer safety equipment totaling approximately \$6,000.00.

The Jackson Police Department continued our community oriented programs in 2010, such as our Annual Toy Drive, Safety City, Optimists

programs, SALT program, POW/MIA walk, Health Point run, Respect for Law program, Youth in Government and numerous other presentations we conduct throughout our community. The annual toy drive donations totaled over \$10,000.00 in 2010 and the event was a huge success for needy families. Thanks to our great community! The Jackson Police Department also conducted a city wide Hostage/Robbery training class for all banks within our city. The FBI also assisted in the training and the program was very successful and well received.

The Jackson Police Department handled over 10,000 calls for service, worked over 500 traffic accidents, and officers prepared over 3,000 written reports. Officers conducted over 3,000 vehicle stops, 7,000 extra patrol requests were performed and we issued over 1,100 citations. We made in excess of 500 criminal arrests in 2010. Please refer to the 2010 Jackson Police Department Annual Report due out in January of 2011 for further information.

On a personal note, we will not be merely satisfied with the achievements of the past year. We will focus on the future of our agency and our community. The next year and beyond will offer many challenges in growth and diversity for our community and our agency. We must all work together to meet these challenges and to insure our continued success in meeting the public safety needs of this great city. I also offer my humble appreciation to the citizens, the Mayor and Board of Alderman, the city staff, and to the employees of the Jackson Police Department for the honor and privilege to serve as your Chief of Police.

Sincerely,

A handwritten signature in black ink, appearing to read "James M. Humphreys".

James M. Humphreys
Chief of Police

Strive for Perfection. Settle for Excellence

Law Enforcement Code of Ethics

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feeling, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve the objectives and ideals, dedicating myself before God and to my chosen profession... law enforcement.

Each officer is involved in a variety of functions aimed at prevention. In addition to being an active high profile law enforcement officer, the SRO is a resource for students, parents, teachers, and administration regarding law issues.

Another duty for the SRO is being a link to other service agencies that provide preventive and counseling services within the school district. Working hand-in-hand with the principal in each school, the SRO assist with solutions to problems afflicting today's school age children.

The SRO is a proactive approach to deal with the pressures that today's youth finds itself having to confront. This includes the use of alcohol, drugs, and tobacco, along with peer pressure. These issues are not solely in the schools, but exist in the community as well. The approach of addressing these issues only in the school, or only in the community, has not been completely effective. Traditionally, police and schools did not interact until one called upon the other.

Jackson Police Department provided one School Resource Officer to all of the Jackson R-2 Public Schools. Officer Chris Green is assigned to the Jackson R-2 School System.

Jackson's School Resource Officer is a certified SRO through the National Association of School Resource Officers.
