James M. Humphreys, Chief of Police

I am very proud of the efforts of all the employees of the Jackson Police Department for the year 2013.

The year 2013 continued our compliance as a fully national accredited agency through CALEA (Commission on Accreditation for Law Enforcement Agencies). We are working toward re-accredited status in 2014.

2013 continued our efforts with a number of traffic survey's that the department is requested to do throughout the year. In 2013 we successfully applied for and received over \$5,850.00 in grant money for traffic enforcement and overtime through the Missouri Division of Highway Safety and the Missouri Safety Center. The department was successful again in 2013 in obtaining several grants. We have received over \$1,500.00 from the Community Caring Council for overtime and expenses associated with conducting alcohol compliance checks and underage drinking investigations. The Jackson Police Department also applied for and received grant funding through the Missouri Police Chief's Association Grant for Mobile Patrol Laptops in each patrol car. The department was awarded seven laptops totaling over \$40,000.00 for equipment and installation. The Jackson Police Department also applied for and received a Block Grant for \$10,000.00.

The Jackson Police Department continued our community oriented programs in 2013, such as our Annual Toy Drive, Safety City, Optimists programs, SALT program, POW/MIA walk, Health Point run, respect for law program, youth in government and numerous other presentations we conduct throughout our community. The annual toy drive donations totaled over \$10,000.00 in 2013 and the event was a huge success for needy families. Thanks to our great community! We also participated in the National Drug Take Back Program and received over 100 pounds of old prescription medicine to be properly destroyed.

The Jackson Police Department handled over 10,000 calls for service, worked over 500 traffic accidents, and officers prepared over 3,000 written reports. Officers conducted over 3,330 vehicle stops and issued over 1,300 citations. We made in excess of 450 criminal arrests in 2013. Please refer to the 2013 Jackson Police Department Annual Report for further.

On a personal note, we will not be merely satisfied with the achievements of the past year. We will focus on the future of our agency and our community. The next year and beyond will offer many challenges in growth and diversity for our community and our agency. We must all work together to meet these challenges and to insure our continued success in meeting the public safety needs of this great city. I also offer my humble appreciation to the citizens, the Mayor and Board of Alderman, the city staff, and to the employees of the Jackson Police Department for the honor and privilege to serve as your Chief of Police.

Sincerely,

James M. Humphreys
Chief of Police

Strive for Perfection, Settle for Excellence

Law Enforcement Code of Ethics

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feeling, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve the objectives and ideals, dedicating myself before God and to my chosen profession... law enforcement.

Organizational Values

The mission of our department is to provide the citizens of the community of Jackson with state-of-the-art law enforcement services in a timely and efficient manner, to serve all citizens with the highest degrees of professionalism, respect, integrity, and courtesy; to provide emergency response, patrol, and investigation services in a manner designed to protect the innocent, convict the guilty, and maximize the safety of our streets and neighborhoods in the City of Jackson.

In the accomplishment of our mission, we depend upon a partnership among citizens, elected officials and City employees.

Toward that end, we adopt the following as our organizational values, which are our beliefs that guide this organization and its members:

- I. HUMAN LIFE
 - II. INTEGRITY
 - III. PROBLEM SOLVING
 - IV. PROFESSIONALISM
 - V. ACCOUNTABILITY
 - VI. CONSTITUTION and LAWS
 - VII. COOPERATION
- I. The Jackson Police Department shall protect HUMAN LIFE and property. We shall be in partnership with the community of Jackson in policing activities and maintenance of the quality of community life.
The Police are public safety professionals who serve as the community's key resource regarding problems of crime, citizen protection, and the quality and protection of life. The protection of life is a profound duty, which constitutes a heavy responsibility entrusted to each officer. The Police Department and community must share equally the responsibility for developing a safe and orderly environment. We believe a lawful society is a matter of individual responsibility. In reaching these goals, the Police Department must allow the community, access to law enforcement operations and policy-making decisions.
 - II. The Jackson Police Department believes INTEGRITY is the basis for community trust.
The Jackson Police Department promotes honesty above all. Loyalty to our department and profession are an important part of our values, but in order to maintain community trust we must promote honesty with our values, as expressed in our standards such as our mission, code of ethics and standards of conduct.
 - III. The Jackson Police Department believes in PROBLEM SOLVING. We are most effective when we help identify and solve community problems.
The department's primary focus is crime prevention. However, we are public servants ready to serve and help the community with all problems within the limits of our sworn duties. The Police Department is committed to move aggressively toward the arrest and prosecution of the perpetrator of any crime and resolution to community problems.
 - IV. The Jackson Police Department values the spirit of PROFESSIONALISM.
The Police Department expects, and will demand that an individual officer's conduct, appearance, and demeanor always reflect a professional attitude and that an equal enforcement of the law be applied toward all citizens. A professional attitude should be free of personal bias and should reflect a commitment to the department and community. As a Police Department, we encourage and support professional and personal growth through training and education.
 - V. The Jackson Police Department believes in ACCOUNTABILITY.
The Police Department expects individual responsibility in our community and from our members as well. Our members shall accept full responsibility for their attitudes, behaviors, and the results of their behaviors on duty as well as off duty. Those of us that wish to hold the honor of a public position and enjoy the privileges of public trust share the responsibility of conducting ourselves in a manner that does not bring public image or trust into question.
 - VI. The Jackson Police Department will uphold the CONSTITUTION and LAWS.
The Jackson Police Department will provide equal service to all through impartial administration and adhering to the principles of fundamental fairness. The safeguarding of individual rights and freedoms afforded our citizens by the Constitution, Missouri Statutes, and Municipal Ordinances will be upheld.
 - VII. The Jackson Police Department values COOPERATION.
The nature of public safety work requires a partnership among citizens, other members, elected officials, City employees and other agencies. The Police department needs to have this good working relationship in order to deliver lawful, effective, efficient, and safe services. The Jackson Police Department believes that the safe delivery of public services requires a coordinated effort of all members and public service agencies.

Department Accreditation Program

Dedicated to the concept of excellence in public service, the Jackson Police Department initially committed itself to accreditation in 2005. Following an extensive self-assessment process and on-site examination by a team of CALEA assessors, the department was accorded its initial accreditation on March 15, 2008. Since that time, department personnel have maintained full compliance with CALEA standards and successfully undergone re-accreditation reviews.

The Department was awarded re-accreditation in March of 2011. Currently Jackson Police is one of only 12 municipal agencies in the State of Missouri that is accredited.

CALEA History and Purpose

The Commission on Accreditation for Law Enforcement Agencies (CALEA) was initially created in 1979 to develop a set of management and operational standards designed to promote increased professionalism within the law enforcement community. This effort was led and supported by the International Association of Chiefs of Police (IACP), the National Organization of Black Law Enforcement Executives, the Police Executive Research Forum, and the National Sheriffs' Association.

Benefits of Accreditation

Specific and general benefits that may be derived from the accreditation process are:

1. Departmental Status in Law Enforcement Community

It is incumbent upon the department to maintain its historical status in the region by adhering to the highest possible standards. This is particularly apt when other first tier municipal police agencies have elected to follow our lead.

2. Legal Liability

The adoption and maintenance of stringent operational standards, such as "Use of Force, Pursuits, Racial Profiling, Grievance Procedures, etc.", coupled with currently established analysis reports, audits and inspections, greatly lessen the department's exposure to public criticism and potential civil liability.

3. Improved Public Service and Image

By establishing a variety of community service programs, a comprehensive code of conduct, and a standardized, well documented citizen complaint process, the department not only illustrates its desire to be responsive to public needs and concerns, but also to identify potential personnel problems and training issues.

4. Supervisory Accountability

The various CALEA mandated inspections, reports, and reviews serve to ensure that commanders and supervisors are held accountable for those activities for which they are responsible, and that they have a duty not only to the organization but to their personnel as well.

5. Consistency in Department Operations

Well-defined policies and procedures, coupled with supervisory accountability, are designed to ensure that the application of enforcement, disciplinary, and regulatory power are effective, while being fair and equitable to both the general public and department staff.

6. Improved Management

The time-sensitive inspections, reports, audits, and analysis required by CALEA provide management with a useful tool to review facilities, equipment, personnel, training, and operational procedures. This allows for an evaluation of the department's current state of readiness, the identification and correction of deficiencies, and as a foundation for budget planning.

5 Year Comparison of Traffic Stops

Traffic Enforcement

Police Officers are regularly instructed with reference to when, where, and how traffic accidents are occurring. This is determined by analysis of several factors including data from problem areas, traffic accidents, citizen complaints, officer observation and random monitoring. Officers are directed to solicit and encourage driver understanding and compliance in a joint effort to reduce traffic accidents. Officers use radar as a tool in helping to reduce traffic accidents by making drivers more aware of their speed, subsequently slowing vehicles down.

Traffic Tickets By Offense

There were a total of 1,370 traffic tickets issued by Jackson officers during 2013. This total does not take into account the number of written or verbal warnings issued by officers during this time.

Major Case Squad

Jackson Police Department is a member of the Cape Girardeau/Bollinger County Major Case Squad (MCS) and has five officers trained and assigned as investigators. These officers participate in all schooling and training programs of the MCS Investigators. The Major Case Squad was formed in 1983. The Squad combines the best criminal investigators from all local law enforcement agencies into one organized unit. The mission of the MCS is that it will assist in providing an expeditious solution to the more serious types of crime, including murder, aggravated assault, robbery, rape, burglary, and others of a magnitude constituting a county threat. The Major Case Squad allows local law enforcement agencies to pool investigative resources and manpower in an efficient and effective manner to provide the type of saturation investigation often essential in solving major crimes.

All law enforcement officials in Cape Girardeau County agree that the formation of the Major Case Squad was the best thing to happen to law enforcement in Southeast Missouri in many decades. Although, the personnel has changed over the years, the Major Case Squad continues to reflect the best and the brightest criminal investigators in Southeast Missouri.

During 2013, the Major Case Squad was activated once for the Cape Girardeau Police Department.

Use of Firearms

Officers are required to demonstrate personal proficiency and qualify with department issued firearms and firearms carried by officers off duty a minimum of two times annually. During this time Officers also review department policy on the use of force. During 2013, there were no officer involved shootings.

School Resource Officers for School Year 2013-2014

The School Resource Officer Program (SRO) is a nationally accepted program involving the placement of law enforcement officers within the educational environment. Each officer is involved in a variety of functions aimed at prevention. In addition to being an active high profile law enforcement officer, the SRO is a resource for students, parents, teachers, and administration regarding law issues.

Another duty for the SRO is being a link to other service agencies that provide preventive and counseling services within the school district. Working hand-in-hand with the principal in each school, the SRO assist with solutions to problems afflicting today's school age children.

The SRO is a proactive approach to deal with the pressures that today's youth finds itself having to confront. This includes the use of alcohol, drugs, and tobacco, along with peer pressure. These issues are not solely in the schools, but exist in the community as well. The approach of addressing these issues only in the school, or only in the community, has not been completely effective. Traditionally, police and schools did not interact until one called upon the other.

Jackson Police Department provided one School Resource Officer to all of the Jackson R-2 Public Schools. Officer Chris Green is assigned to the Jackson R-2 School System. Jackson's School Resource Officer is a certified SRO through the National Association of School Resource Officers.
