Mission Statement

The purpose of the Jackson Police Department is to provide the citizens of the Community of Jackson with the state-of-the art law enforcement services in a timely and efficient manner: to serve all citizens with the highest degree of professionalism, respect, integrity, and courtesy: to provide emergency response, patrol, and investigation services in a manner to protect the innocent, convict the guilty, and maximize the safety of our streets and neighborhoods.

A Message from Chief Humphreys

2019 was a very challenging and emotional year for our department as we lost one of our own. After almost two years of fighting cancer, Our Communications Officer Billi Jo Knight lost her battle on February 12, 2019. This was a devastating blow to each and every person in our department. But with such heartache and sadness throughout February and the months preceding, March brought with it a brighter and more positive outlook for the entire Jackson Police Department.

On March 7, 2019 we officially broke ground for our new 18,000 sq. foot Police Department. This has been a goal 8 years in the making. We anxiously watched throughout the whole year as our new “home” was being built. Once finished the Jackson Police Department will have a new state of the art facility with everything we will need to continue to serve our community to the best of our ability.

In 2019 we continued to grow as a department. Our most valuable resource continues to be our staff-the men and women who choose to call this their home. Finding, recruiting, hiring, training, and retaining excellent people is always at the top of our priority list.

This past year, the Jackson Police Department along with Cape Girardeau County Sheriff Department & Cape Girardeau Police Department joined together to begin implementation of a new comprehensive Police Records Management System (RMS). This RMS will continue to allow our law enforcement officers to report directly from the field in support of state of the art, real-time crime analysis. This in turn brought on several multi agency meetings and training while picking our new RMS Company. We started going live in spring of 2020.

One of my most favorite things about our Annual Report is the opportunity to showcase some of the tremendous work our staff does throughout the year. We have prepared this report to help you better understand what your police department generates in terms of numbers and types of incidents encountered as we answer the law enforcement demands of our community.

It's been said that there are three basic concepts to be achieved in order to maintain a successful modern law enforcement agency; they include solid policy, superb training and strong discipline. I am proud to say that the Jackson Police Department has worked extremely hard to achieve all three of these principles. This is verified annually through our voluntary commitment to law enforcement accreditation through the nationally and internationally recognized Commission on Accreditation for Law Enforcement Agencies Inc, CALEA.

Sincerely,

James M. Humphreys
Chief of Police

Law Enforcement

Code of Ethics

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder, and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never officially or permit personal feeling, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve the objectives and ideals, dedicating myself before God and to my chosen profession... law enforcement.

Organizational Values

The mission of our department is to provide the citizens of the community of Jackson with state-of-the art law enforcement services in a timely and efficient manner, to serve all citizens with the highest degrees of professionalism, respect, integrity, and courtesy; to provide emergency response, patrol, and investigation services in a manner designed to protect the innocent, convict the guilty, and maximize the safety of our streets and neighborhoods in the City of Jackson.

In the accomplishment of our mission, we depend upon a partnership among citizens, elected officials and City employees.

Toward that end, we adopt the following as our organizational values, which are our beliefs that guide this Organization and its members.

- I. HUMAN LIFE
- II. INTEGRITY
- III. PROBLEM SOLVING
- IV. PROFESSIONALISM
- V. ACCOUNTABILITY
- VI. CONSTITUTION and LAWS
- VII. COOPERATION

I. The Jackson Police Department shall protect HUMAN LIFE and property. We shall be in partnership with the community of Jackson in policing activities and maintenance of the quality of community life.

The Police are public safety professionals who serve as the community's key resource regarding problems of crime, citizen protection, and the quality and protection of life. The protection of life is a profound duty, which constitutes a heavy responsibility entrusted to each officer. The Police Department and community must share equally the responsibility for developing a safe and orderly environment. We believe a lawful society is a matter of individual responsibility. In reaching these goals, the Police Department must allow the community, access to law enforcement operations and policy-making decisions.

II. The Jackson Police Department believes INTEGRITY is the basis for community trust.

The Jackson Police Department promotes honesty above all. Loyalty to our department and profession are an important part of our values, but in order to maintain community trust we must promote honesty with our values, as expressed in our standards such as our mission, code of ethics and standards of conduct.

III. The Jackson Police Department believes in PROBLEM SOLVING. We are most effective when we help identify and solve community problems.

The department's primary focus is crime prevention. However, we are public servants ready to serve and help the community with all problems within the limits of our sworn duties. The Police Department is committed to move aggressively toward the arrest and prosecution of the perpetrator of any crime and resolution to community problems.

IV. The Jackson Police Department values the spirit of PROFESSIONALISM.

The Police Department expects, and will demand that an individual officer's conduct, appearance, and demeanor always reflect a professional attitude and that an equal enforcement of the law be applied toward all citizens. A professional attitude should be free of personal bias and should reflect a commitment to the department and community. As a Police Department, we encourage and support professional and personal growth through training and education.

V. The Jackson Police Department believes in ACCOUNTABILITY.

The Police Department expects individual responsibility in our community and from our members as well. Our members shall accept full responsibility for their attitudes, behaviors, and the results of their behaviors on duty as well as off duty. Those of us that wish to hold the honor of a public position and enjoy the privileges of public trust share the responsibility of conducting ourselves in a manner that does not bring public image or trust into question.

VI. The Jackson Police Department will uphold the CONSTITUTION of LAWS.

The Jackson Police Department will provide equal service to all through impartial administration and adhering to the principles of fundamental fairness. The safeguarding of individual rights and freedoms afforded our citizens by the Constitution, Missouri Statutes, and Municipal Ordinances will be upheld.

VII. The Jackson Police Department values COOPERATION.

The nature of public safety work requires a partnership among citizens, other members, elected officials, City employees and other agencies. The Police department needs to have this good working relationship in order to deliver lawful, effective, efficient, and safe services. The Jackson Police Department believes that the safe delivery of public services requires a coordinated effort of all members and public service agencies.

CALEA-International Accreditation

Dedicated to the concept of excellence in public service, the Jackson Police Department initially committed itself to accreditation in 2005. Following an extensive self-assessment process and on-site examination by a team of CALEA assessors, the department was awarded its initial accreditation on March 15, 2008. Since that time, department personnel have maintained full compliance with CALEA standards and successfully undergone re-accreditation reviews. CALEA is a four (4)-year process during which the department must adhere to strict international guidelines of policing and organizational practices. Two (2) outside assessors reviewed policies and examined procedures to verify compliance with internationally set standards. Citizens are given the opportunity to voice their opinions about the department and their efforts in retaining accredited status. The Jackson Police Department was awarded reaccreditation in March of 2011, March 2014, and March 2017.

Audits Performed by Outside Agencies

Starting in 2019, the Jackson Police Department was given a Remote Web-Based CSM review by the Commission on Accreditation for Law Enforcement Agencies (C.A.L.E.A.). This review is done on a yearly basis as part of their new 4 year accreditation process. After the review was performed it was announced "The CSM review was successful, and resulted in full compliance with no compliances issues or concerns".

CALEA History and Purpose

The Commission of accreditation for Law Enforcement Agencies (CALEA) was initially created in 1979 to develop a set of management and operational standards designed to promote increased professionalism within the law enforcement community. This effort was led and supported by the International Association of Chiefs' of Police (IACP). The National Organization of Black Law Enforcement Executives, the Police Executive Research Forum, and the National Sheriffs' Association.

Benefits of Accreditation

Specific and general benefits that may be derived from the accreditation process are:

1. Departmental Status in Law Enforcement Community

It is incumbent upon the department to maintain its historical status in the region by adhering to the highest possible standards. This is particularly apt when other first tier municipal police agencies have elected to follow our lead.

2. Legal Liability

The adoption and maintenance of stringent operational standards, such as "Use of Force, Pursuits, Racial Profiling, Grievance Procedures, etc.", coupled with currently established analysis reports, audits and inspections, greatly lessen the department's exposure to public criticism and potential civil liability.

3. Improved Public Service and Image

By establishing a variety of community service programs, a comprehensive code of conduct, and a standardized, well documented citizen complaint process, the department not only illustrates its desire to be responsive to public needs and concerns, but also identify potential personnel problems and training issues.

4. Supervisory Accountability

The various CALEA mandated inspections, reports, and reviews serve to ensure that commanders and supervisors are held accountable for those activities for which they are responsible, and that they have a duty not only to the organization but to their personnel as well.

5. Consistency in Department Operations

Well-defined policies and procedures, coupled with supervisory accountability, are designed to ensure that the application of enforcement, disciplinary, and regulatory power are effective, while being fair and equitable to both the general public and department staff.

6. Improved Management

The time-sensitive inspections, reports, audits, and analysis required by CALEA provide management with a useful tool to review facilities, equipment, personnel, training, and operational procedures. This allows for an evaluation of the department's current state of readiness, the identification and correction of deficiencies, and as a foundation for budget planning.

Police Structure

The police department has an authorized strength of 31 full-time police officers and 7 communications officers and one administrative assistant to the Chief of Police. The following is a list of the officers, name, rank/title, and date originally appointed.

School Resource Officers for School Year 2019-2020

The School Resource Officer Program (SRO) is a nationally accepted program involving the placement of law enforcement officers within the educational environment. Each officer is involved in a variety of functions aimed at prevention. In addition to being an active high profile law enforcement officer, the SRO is a resource for students, parents, teachers, and administration regarding law issues.

Another duty for the SRO is being a link to other service agencies that provide preventive and counseling services within the school district. Working hand-in-hand with the principal in each school, the SRO assist with solutions to problems afflicting today's school age children.

The SRO is a proactive approach to deal with the pressures that today's youth finds itself having to confront. This includes the use of alcohol, drugs, and tobacco, along with peer pressure. These issues are not solely in the schools, but exist in the community as well. The approach of addressing these issues only in the school, or only in the community, has not been completely effective. Traditionally, police and schools did not interact until one called upon the other.

Jackson Police Department has three School Resource Officers assigned to the Jackson R-2 Public Schools. Officer Ron Styer is assigned to Jackson High School. Officer Megan Houseman is assigned to Jackson Jr. High School & West Lane Elementary. Officer Tim Lester is assigned to Jackson Middle School & Orchard Elementary. Sgt Chad Ludwig is assigned to South Elementary, North Elementary, East Elementary, Gordenville Elementary & Millersville Elementary.

Jackson's School Resource Officers are a certified SRO through the National Association of School Resource Officers.

Awards & Special Recognition

During 2018 the following officers received awards or special recognition:

The Robert L. "Red" Clifton award for Excellence was presented to Officer Jacob Hanna. This award was established to recognize those individuals who showed leadership, responsibility and integrity within the Patrol Division of the department.

The Chief's Award of Excellence was presented to Administrative Assistant Rachel Coleman. This award was established to recognize those individuals within the department who showed leadership, responsibility, and integrity within the department.

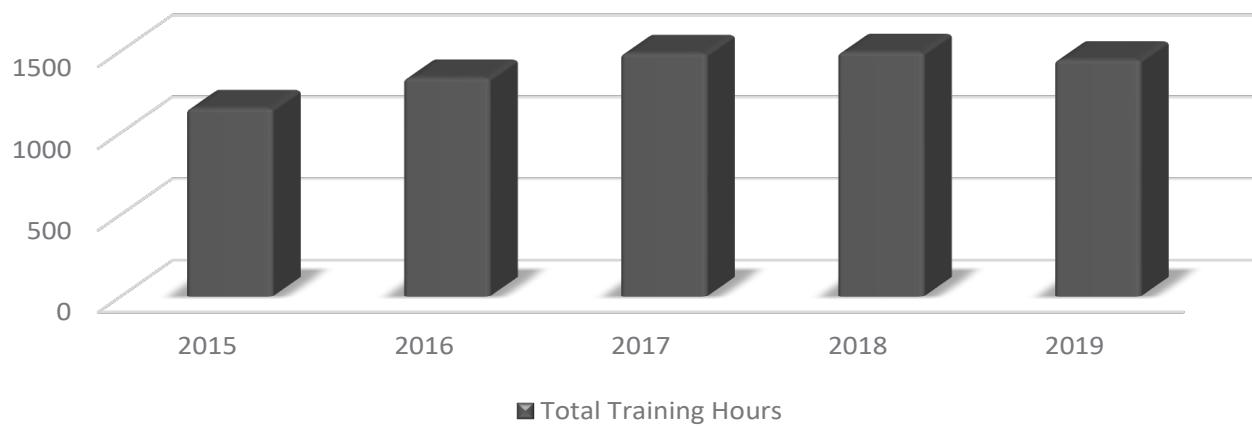

The Rookie of the Year Award was presented to Officer Dylan Peetz.

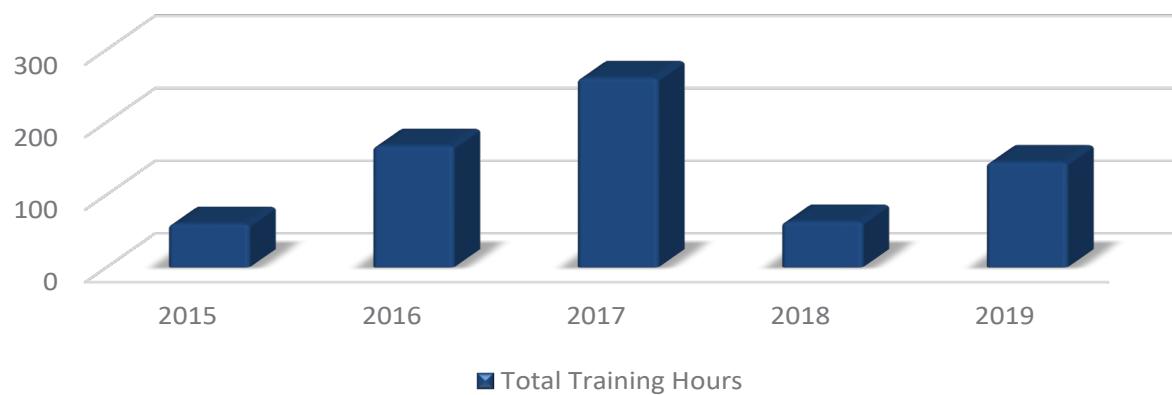

2019 Training and Schools

Officers received a total of 1447.5 hours of formal instruction/training during 2019. Communications Officers received 145 hours of formal instruction/training during the same year. The training was provided by the Missouri State Highway Patrol Law Enforcement Academy, In-Service training, as well as other P.O.S.T. certified training facilities or instructors. The training hours reflect any training an officer may have attended where Continual Education Units were given with new employees. All licensed peace officers must successfully complete a minimum of twenty-four (24) hours of continuing education hours to maintain their peace officers license in a 1 year reporting period that ends December 31, 2019 as required by Missouri Peace Officer Standards and Training (P.O.S.T.).

Social Media

The Jackson Police Department recognized that social media was a developing way to inform the public about issues concerning the police department and our community. In 2013, the Jackson Police Department launched our Facebook page and in 2014 we launched our twitter page and found that residents, business owners, organizations, and the media monitor our social media pages for updates on information. Both of our social media pages have proven to be valuable resources for getting information out to the public. In 2019, our Facebook page grew from 8,068 likes to 9,781 as our Twitter account went from 789 followers to 840 followers.

Several of our posts requesting the public's assistance in identifying and/or locating persons of interest have proven to be very successful. Our pages have also allowed citizens to ask questions or make statements and get quick feedback, and many have expressed they like having the opportunity to approach the Police Department with questions in such an open manner. We anticipate these numbers will continue to grow as we actively seek to engage the citizens of our community.

In 2016, the Department joined Nextdoor. Nextdoor is a free private social network for your neighborhood that is the best way to stay in the know about what's going on. Before you can participate in Nextdoor, you must verify the address used to create your account. Nextdoor allows neighbors to create a private website for their neighborhood and to share local recommendations (plumbers, auto mechanics, babysitters, etc.), publicize local events or even ask for advice from neighbors. The police department cannot see any post made by neighbors, but you can email the department via their portal and see things we post.

Traffic Enforcement

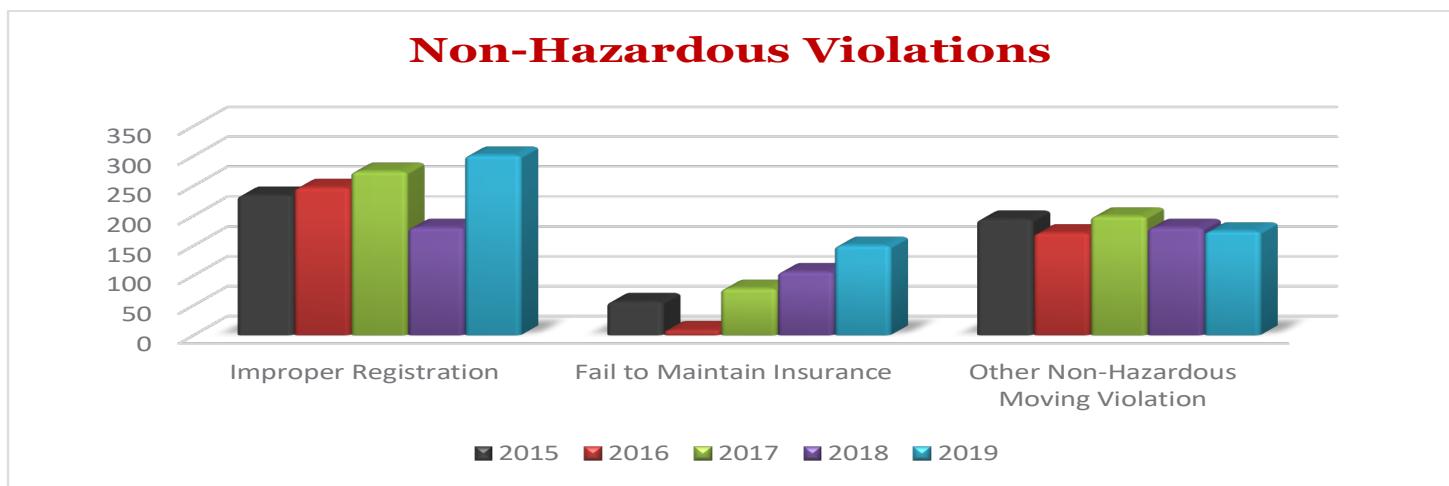

Police Officers are regularly instructed with reference to when, where, and how traffic accidents are occurring. This is determined by analysis of several factors including data from problem areas, traffic accidents, citizen complaints, officer observation and random monitoring. Officers are directed to solicit and encourage driver understanding and compliance in a joint effort to reduce traffic accidents. Officers use radar as a tool in helping to reduce traffic accidents by making drivers more aware of their speed, subsequently slowing vehicles down.

Law Enforcement Officers Assaulted

In 2019 there were no Officers assaulted.

Major Case Squad

Jackson Police Department is a member of the Cape Girardeau/Bollinger County Major Case Squad (MCS) and has three (3) officers trained and assigned as investigators. These officers participate in all schooling and training programs of the MCS Investigators. The Major Case Squad was formed in 1983. The Squad combines the best criminal investigators from all local law enforcement agencies into one (1) organized unit. The mission of the MCS is that it will assist in providing an expeditious solution to the more serious types of crime, including murder, aggravated assault, robbery, rape, burglary, and others of a magnitude constituting a county threat. The Major Case Squad allows local law enforcement agencies to pool investigative resources and manpower in an efficient and effective manner to provide the type of saturation investigation often essential in solving major crimes.

All law enforcement officials in Cape Girardeau/Bollinger County agree that the formation of the Major Case Squad was the best thing to happen to law enforcement in Southeast Missouri in many decades. Although, the personnel has changed over the years, the Major Case Squad continues to reflect the best and the brightest criminal investigators in Southeast Missouri.

During 2019, the Major Case Squad was activated three (3) times all for the Cape Girardeau Police Department.

Use of Firearms

Officers are required to demonstrate personal proficiency and qualify with all department issued firearms and firearms carried by officers off duty. Officers also go through MILO Simulator training, which is a use of force/firearms training simulator. During 2019 there were no officer involved shootings.

Special Events 2019

Throughout the year officers are required to work special events on top of their regular assigned duties. Manpower for these events can be one or more officers depending on the event. The event can last a minimum of two (2) hours or four (4) to five (5) hours a night for a week time.
