

CITY OF JACKSON, MISSOURI POSITION ANNOUNCEMENT

The City of Jackson, Missouri is currently accepting applications for the position of

CITY ENGINEER

Responsibilities include review construction plans, designs, and development projects for compliance with engineering standards and regulations; serve as the Municipal Separate Storm

Sewer System (MS4) Coordinator, ensuring compliance with applicable environmental regulations; and communicating effectively with the public, design professionals, contractors, and internal city departments to provide guidance and resolve issues.

A Bachelor's Degree in Civil Engineering and a Professional Engineer (PE) License are required, with basic knowledge of civil engineering principles, practices, and methods. Ability to read and understand construction plans, maps, and plats.

Competitive starting salary with excellent benefit package.

Applications are available at City Hall, 101 Court Street, Jackson, MO, 63755 or online at www.jacksonmo.org. Completed applications/resumes can be submitted to J.J. Wiseman at City Hall or emailed to jwiseman@jacksonmo.org. Applications will be accepted until position filled.

Before final appointment, applicant will be required to complete a drug test, background investigation, and routine physical.

The City of Jackson reserves the right to notify only those individuals selected for an interview as to the status of their application for employment. EOE/ADA/M/F/V
